About the Program/Activity:

Guest lecture on " **Marathi Bhasha Sanvardhan Pandharwada 2026**", was organized by the Diploma Engineering faculty members at 2:00 PM on **Friday, January 30, 2026** held in the **Class room 201**, the Lecture attended by a total of **90 students**, all from Second, Third year Diploma students from all branches. This program focuses on introducing learners to *Koshvangmay* (lexicographical literature such as dictionaries, encyclopedias, glossaries and reference works) and its importance in the development of the Marathi language. Activities include demonstrations on how to effectively use Marathi dictionaries and reference books for correct spelling, meanings, synonyms, and

technical terminology. Workshops and interactive sessions are conducted to develop vocabulary, improve word usage, and understand the richness and structure of Marathi. Exhibitions of various Marathi koshas (dictionaries and reference texts) and guided reading sessions help participants explore the depth and evolution of Marathi words and expressions.

The photographs offer a glimpse into the past, capturing cherished memories:

Program Outcome:

There is a noticeable improvement in students' reading, writing, and speaking skills in Marathi. A sense of attachment and pride towards the Marathi language is developed. Linguistic creativity and expressive ability are enhanced. Awareness about correct spelling and proper language usage is created. Overall, participants are motivated to use Marathi more effectively in their daily lives. Awareness is created about the scholarly tradition of Marathi lexicography and its role in preserving the language. Overall, the program strengthens linguistic skills and promotes disciplined, standard, and enriched use of Marathi in academic and daily contexts.
