- Frequently of the Board Meeting and Academic Advisory Body.

#### Organizational chart and processes

- Nature and Extent of involvement of Faculty and students in academic Affairs/improvements

Students have active representation on various academic and administrative bodies and committees of the Institute. Students are given exposure to involve themselves in administrative, co-curricular and extracurricular activities as members of the committees. They actively participate in committee meetings. The following is the list of Committees having student representation and engagement.

#### Academic Monitoring

In-line with DBATU academic calendar, Institute prepares its academic calendar and also respective departments prepare their calendar. Based on the Institute's academic calendar, every department carried out their work load distribution based on their domain of expertise and prepared the respective Timetable and got it approved from AMC and the Head of Institute. As per the University guidelines lectures and practical were commenced. Internal academic monitoring was carried out and necessary action taken.

Guardian faculty mentoring system is implemented in the Institute wherein 15 to 20 students are assigned to a faculty member who acts as their mentor for the entire program. Mentor regularly interacts with the students and monitors their academic performance and attendance. Students are counseled by the mentors, class coordinator, faculty and HOD for improving their academic performance and attendance. Mentors and Class Advisors counsel the students regarding their performance and schedule additional lectures/practical. The students are given guidance for academic, career, and also on personal issues. The mentors discuss with each and every student on an individual basis and support them in all the possible ways to improve their academic performance. The mentors always keep a check on the attendance of the student, the marks/grades obtained in the internal and external examinations.

Mr Nandkumar Dubal et al are the student members of this committee. They work as class monitor as well as coordinators of various activities held under Academic Monitoring Committee.

### **Examination Committee**

The Institute has a college level Exam committee. This committee works under the supervision of Head of the Institute. The Institute exam committee is responsible for the preparation of Timetable, setting of question papers, evaluating the answer sheets, preparing the results and declaration of the same. The evaluated answer sheets are shown to the students for any grievances. The grievances of the students are considered and looked into. The main reforms initiated by the Exam Cell Committee are the timely declaration of results and moderation

of the question papers. For continuous evaluation process, internal tests, assignments, quiz, presentations, lab work, seminars etc are taken into consideration. Term work marks are given to the student depending on the performance in the internal assessment. The rubrics for each practical and tutorial are based on the parameter which takes into consideration: the performance, lab ethics, self-learning initiative, conceptual understanding, punctuality and attendance. Also the Institute Controller of Examination conducts the end semester examination in line with the timetable received from University.

Mr Omkar Ombale et al are the student members of this committee. They maintain discipline during the examinations and assist for smooth conduction of it without any grievance.

### **Training and Placement Committee**

The Institute Provides Skill Improvement Program for Placements. That gives personal and career counseling to achieve desirable improvement in students. One of the major objectives is to help students to obtain internships and placement in companies across various industrial sectors. The students are encouraged to present technical papers at seminars in other Institutes with a view to improving their research and presentation skills. Faculty members from each department are co-opted as members of the Placement Cell.

Ms Snehal Kamble et al are the student members of this committee. They are actively involved in all training and placement related activities and coordinate them.

### **Alumni Committee**

Alumni Cell, the single point of contact between Alumni and Institute, offers our alumni a host of services that enables them to keep in touch with their batch mates and also of the different activities conducted in the Institute.

Ms Sampada Chorage et al are the student members of this committee. They remain in contact with their alumni through social media, alumni mentor facility for final year project guidance, guest lecture etc. and coordinate the alumni meet every year.

### **R&D and IPR**

Research and Development cell designs annual research activity plan for all the departments, establish liaison with near and far industries and identify the technological challenges being faced by them. These problems of the industry are taken up as projects for finding solutions through R&D which are assigned to both faculty members and students. To initiate and promote MoUs with Industries for consultancy, collaborative research, sponsored projects, Industry and Institute interactions etc. To motivate students for presenting papers in National and International conferences, Demonstrate projects in various competitions.

Ms Pradnya Vibhute et al are the student members of this committee. They actively participated in R&D activities/workshops/project competitions and also organised them with the help of faculty members.

### **Infra administration & Maintenance**

The Committee is a setup to look and take care of the maintenance of the overall infrastructure of the Institute. The Institute has well equipped infrastructural facilities for the efficient conduction of various examinations.

Mr Aniket Pawar et al are the student members of this committee. They can give suggestions for the infrastructural up gradations and when required and they also take care of existing infrastructural facilities by maintaining the discipline in the institute campus.

### **ICT Committee**

ICT committee is actively involved in the proper maintenance of the various digital working tools like an ICT panel which includes 3-Smart boards, 11-Projectors, well equipped computer labs. For any maintenance the committee looks into the same and the problem is rectified.

Ms Ankita Doudmani et al are the student members of this committee. The committee also encourages maximum student participation in various online programs available under NPTEL/MOOCs, for their overall development. Students coordinate all the activities under ICT committee.

#### **Cultural & Sports committee:**

Students have strong representations in all cultural and sports committees. They help in organization and management of different events. Major events include Annual Sports Competition and Cultural event. Organize intra-college competitions at the Institute level. Assist and encourage the students to participate actively in organizing and conducting various indoor, outdoor sporting games. Maintain records of the sporting events attended by students held in the Institute. Submit annual report of the sports/ events conducted, budget allocations and expenditure incurred during the year. Encourage students to participate in the intra or inter-college events.

Mr Vishwanath Metkari et al are the student members of this committee. They are a part of the organizing committee of all the activities at departmental/Institute level. Some of these activities include conferences, coding, project contests, technical events, quiz competitions, student club activities etc.

#### **Discipline Committee**

This committee ensures that at least one faculty member will be present at any particular time at all the locations to curb ragging. Instructions are given to student volunteers to take precautionary measures to avoid ragging at locations like canteen, bus stops and canvass about anti-ragging through the use of flexes, posters and boards in the Institute premises and surrounding areas where there is a chance of ragging. Newly admitted students and their parents are guided and counseled against ragging and affidavits duly signed by the students and parents, against ragging are taken at the time of admission.

Mr S V Shejwal et al are the student members of this committee. Students maintain discipline and act as volunteers for the smooth conduction of any institutional program.

#### **Reservation Committee**

Reservation committee monitors awarding of scholarships to students belonging to various categories viz. Open, OBC, NT, SC and also guide the students of the various facilities available to them from the State and the Central government for their maximum benefit. Students act as coordinators and disseminate all the information related with scholarships/schemes/opportunities etc

### **National Service Scheme (NSS) Cell:**

Making education more relevant in the present scenario to fulfill the needs of the community and supplement education of University/College students and making them aware of the situation in the rural areas. Providing opportunities to students for performing their role in planning and executing development projects which would not only help in creating durable community assets in rural areas and urban slums but also result in the improvement of quality of life of the economically and socially weaker sections of the society. Developing leadership qualities by discovering the latent potential among the campers, students as well as local youths (Rural and Urban), with a view to involve them more intimately in the development program and also to ensure proper maintenance of the assets created. Encouraging youth to participate enthusiastically in the process of national development and promote national integration, through cooperative action.

Institute has one unit of 100 students which is coordinated by NSS officer Mr Ankur Kamble along with Mr Utkarsh Pustake et al as student coordinators.

### **Library Committee**

Library committee is involved in collecting the requirements of the text books, reference books, journals and ensuring adequate number of copies are made available in the library. Planning and implementing the library automation, procedures, digital library development and usage. Finalizing the list of books, journals, magazines and equipment in the central library as well as departmental libraries and propose budgetary estimates to the administrative department and also conducting verification of annual stock. The Institute library has a vast collection of text books and general books, International and National journals, online databases to cater to the needs of both UG and PG students. Separate sections for General, Reference books, Journals and Periodicals, Magazines are provided along with free Net browsing (DelNet).

Mr Koushik Sawant et al are the student members of this committee. Students remain in touch with library and coordinate various activities like library day, book bank facility etc

### **Entrepreneurship Development Committee**

To organize Entrepreneurship Development and Faculty Development Programmes for the benefit of science and technology (S&T) persons. To guide and assist prospective entrepreneur on various aspects such as preparing project reports, obtaining project approvals, loans, facilities from agencies and provide information on various technologies. To organize guest lectures, seminars, etc. for promotion and growth of S&T based projects.

Mr Prathmesh Nikam et al are the student members of this committee. Students organize various expert lectures related with this committee.

## **Student Counseling and Grievances Redressal Committee**

A grievance cell is established in this Institute to resolve any types of disputes amongst the students. Grievance boxes are made available in the Institute. Stakeholders can drop the grievances mentioned on the paper in the box provided. Resolve grievances which develop in Institute premises, maintaining confidentiality, impartiality, transparency. Establish grievance free Institute environment. To resolve the disputes and any other issues arising amongst the students. To create a professional environment for sustainable development. Encourage the students to show responsible approach. To enhance effective communication to state the grievance verbally or through the use of grievance box. Encourage the students to practice courteous communication behavior which will be useful in their entire life.

Mr. Ar. Roman et al. are the student members of this committee. Students act as members of this committee and convey the grievances (if any) to the faculty members.

- **Mechanism/Norms and Procedure for democratic/good Governance**

## **DECENTRALIZED MANAGEMENT**

Students, parents, teaching, non-teaching staff members, all the stakeholders are the members of all statutory & non statutory committees.

Effective leadership is monitored and reviewed with the help of following committees: Academic Monitoring: Coordinates and monitors all the academic activities.

IQAC: Development and application of quality benchmarks/parameters for the various academic and administrative activities of the institute.

Examination Committee: Examination committee is responsible to ensure effective implementation of the evaluation process prescribed by the University.

University/AICTE/DTE Committee: This committee ensures University affiliation, Extension of Approval (EOA) from AICTE, facilitation centre for centralised admission process from DTE.

Admission Committee: Responsible for institute's promotional activities.

Training & Placement Committee: Objectives is to help students to impart company specific training, obtain internships and placement in companies across various industrial sectors

Alumni Committee: Acts as a single point of contact between Alumni and Institute, offers our alumni a host of services that enables them keep in touch with their batch mates and also of the different activities conducted in the Institute

R&D and IPR: Research and Development cell designs annual research activity plan for all the departments, establish liaison with near and far industries and identify the technological challenges being faced by them.

Co-curricular activities: Organises and conducts all co-curricular activities.

Infra administration & Maintenance: The Committee is set up to look and take care of the maintenance of the overall infrastructure of the Institute

ICT/e-learning/NPTEL/MOOCs Committee: ICT/e-learning/NPTEL/MOOCs Committee is actively involved in the proper maintenance of the various digital working tools

Peer Team/Antiragging/Discipline Committee: Takes care of smooth conduction of all academic and administrative activities and also maintains the discipline in the campus

Reservation Committee: Reservation committee monitors awarding of scholarships to students belonging to various categories

Women's internal complaints/counselling & Medical Care Committee: Takes care of addressing the internal complaints of women, counseling them and taking care of their health.

Student Development & Welfare/EDC/Higher Edu/Competitive exams: Coordinates all the activities related to entrepreneurship, higher education and competitive exams

Extracurricular Activities/Cultural/Sports: Encouraging students to participate in the intra or inter-collegiate events, cultural and sports activities.

Grievance & Redressal: A grievance cell is established in this Institute to resolve any types of disputes amongst the students

Library: Library committee is involved in collecting the requirements of the text books, reference books, journals and ensuring adequate number of copies are made available in the library

- **Participative Management:-**

Involvement of stakeholders viz (Governing Council, College Development Committee, IQAC, Departmental Advisory Board, Academic Monitoring Committee, Student Council etc.). Institute promotes a culture of participative management.

Therefore, various committees are set up to execute predefined strategies that emphasize active stakeholder involvement, as mentioned below:

- Governing Council

- CollegeDevelopmentCommittee
- DepartmentAdvisoryBoard
- Principal'sAdministration
- IQAC
- HoDs
- Level/In-charge/CoordinatorLevel
- FacultyLevel
- StudentCouncil
- Cultural,Sportandotheractivities

#### **HeadofDepartment(HoD)Level:**

HoDshaveenoughfreedomtoplanforoverallprogressofthedepartment.They can takenecessaryactionfor overallcontrollingandmonitoringofthedepartment.

#### **Facultylevel:**

The Academic Monitoring Committee is formed in every department. Class teachers have sufficient authority to suggest and implement a variety of technical and non-technical programs, workshops, seminars for the benefit of students, Alumni Interactions, hands on practices, Industrial Projects, in-plan training, industrial training etc. Faculty by their choice can take initiative and organize seminars, workshops.

#### **▪ StudentFeedbackonInstitutionalGovernance/Facultyperformance**

Feedback from the students was taken on monthly basis through online mode. On the basis of feedback received from the students regarding syllabus completion, faculty member's subject preparation, Communications skills, Teaching approach of faculty members, Fairness of the internal evaluation, Performance discussion with students, Involvement of the faculty in promoting industry-institute interaction, Mentoring process for cognitive, social and emotional growth of students, Multiple opportunities provided by the institute for growth of students, information about PO's and CO's, Follow-up by the mentor, Concepts illustration through

examples and applications, SWOT analysis of students, efforts of institute in student's involvement for improvement of teaching process, use of teaching pedagogy, encouragement for extracurricular activities, efforts to inculcate soft skills, life skills and employability skills, use of ICT tools by faculty members, overall quality of teaching-learning process, rating is done on a 0-4 scale. Based on the feedback received, suggestions/remedial action was taken from HOD by taking consent of Principal.

#### ■ Grievance Redressal mechanism for Faculty, staff and students

A grievance cell is established in this Institute to resolve any types of disputes amongst the students. Grievance boxes are made available in the Institute. Stakeholders can drop the grievances mentioned on the paper in the box provided. Resolve grievances which develop in Institute premises, maintaining confidentiality, impartiality, transparency. Establish grievance free Institute environment. To resolve the disputes and any other issues arising amongst the students. To create a professional environment for sustainable development. Encourage the students to show responsible approach. To enhance effective communication to state the grievance verbally or through the use of grievance box. Encourage the students to practice courteous communication behavior which will be useful in their entire life.

The screenshot shows a web browser window with the URL [agce.sets.edu.in/grievance-suggestions/](http://agce.sets.edu.in/grievance-suggestions/). The page has a purple header with navigation links: HOME, ABOUT, ACADEMICS, ADMISSIONS, SCHOLARSHIPS, PLACEMENTS, ACHIEVEMENTS & EVENTS, and CONTACT. The main heading is "Grievance / Suggestions Form". The form is a white box with the following fields:

- Name \* (First, Middle, Last)
- Mobile Number \* and Email \*
- Address \* (Street Address, City, ZIP / Postal Code)
- Student Category \* (with dropdown), Scheme Name \* (with dropdown), and Type Academic / Year \* (with dropdown)
- Examples: Staff / Non-Staff, B.A. BSC, M.T, B.T, B.E. (B.T); B.A. BSC, M.T, B.T, B.E. (B.T); B.A. BSC, M.T, B.T, B.E. (B.T)
- Your Comment / Message \*
- Upload screenshot (if any) with a "Choose File" button. Accepted file types: jpg, png. Max file size: 1 MB.
- A "Submit" button.

At the bottom, there is a "Moodle Links" section with buttons for Degree, Polytechnic, Careers, and Alumni. The Windows taskbar at the bottom shows the date as 15-02-2022 and time as 11:25.

17	Ms.Siddhika Suryawanshi Student Nominee- Electrical Engineering	Member
18	Mr.Aditya Sutar, Student Nominee- Mechanical Engineering	Member
19	Mr.Ninad Mane, Student Nominee- Computer Science and Engg.	Member
20	Ms.Yashashree Ahirekar, Student Nominee – Core Science Engg.	Member

■ **Establishment of Online Grievance Redressal Mechanism**

Sr.No.	Name	Designation
1	Dr. Mulik S.S.	Chairman
2	Mrs. S.M.kandarker	Member
3	Mr. Ghdhage N.V.	Member
4	Mr. Gujar V.B.	Member
5	Mr. Pathak P.A.	Member
6	Mr.Sapkal R.N.	Member

- **Establishment of Grievance Redressal Committee in the Institution and Appointment of OMBUDSMAN by the University**

<b>Sr.</b>	<b>Name and Details of the member</b>	<b>Designation</b>
1	Mrs. Manisha N. Alatkhar, Asst. Professor	Preciding Officer
2	Ms. Pooja S. Chavan, Asst. Professor	Member
3	Ms. Manisha K. Gavali, Asst. Professor	Member
4	Mrs. Jayshree R. Shinde, Non-teaching staff nominee	Member
5	Mr. Chandrashekhar R. Shinde, Non-teaching staff nominee	Member
6	Mrs. Suvarna Chavan, Peon nominee	Member
7	Ajinkya Safai, Cultural Secretary, Student Council	Member
8	Ms. Sayali Pawar, Ladies Representative, Student Council	Member
9	Mr. Ninad H. Mane, General Secretary, Student Council	Member
10	Mr. Ramiz Kalal, Advocate	Member
11	Mrs. Rupali Bhosale, Social Worker, NGO	Member

- **Establishment of Internal Complaint Committee (ICC)**

<b>Sr. No.</b>	<b>Name and Details of the member</b>	<b>Designation</b>
1	Mrs. Manisha N. Alatkhar, Asst. Professor	Preciding Officer
2	Ms. Pooja S. Chavan, Asst. Professor	Member
3	Ms. Manisha K. Gavali, Asst. Professor	Member
4	Mrs. Jayshree R. Shinde, Non-teaching staff nominee	Member
5	Mr. Chandrashekhar R. Shinde, Non-teaching staff nominee	Member
6	Mrs. Suvarna Chavan, Peon nominee	Member
7	Ajinkya Safai, Cultural Secretary, Student Council	Member

## 6. Programmes

- Name of Programmes approved by AICTE

UG PROGRAM	
1	Artificial Intelligence and Data Science
2	Civil Engineering
3	Computer Science & Engineering
4	Electrical Engineering
5	Electronics & Telecommunication Engineering
6	Mechanical Engineering
7	Bachelor of Computer Application (BCA)
NEW UG COURSE	
1	Electronics and Computer Engineering
PG PROGRAM	
1	Heat Power Engineering
2	Master of Computer Application (MCA)
DIPLOMA	
1	Civil Engineering
2	Computer Engineering
3	Computer Science and Engineering
4	Electronics & Telecommunication Engineering
5	Mechanical Engineering
6	Electrical Engineering
Bachelor of Vocational-B. Voc. (UG)	
1	Industrial Tool Manufacturing (Itm)
2	Industrial Automation
3	Software Development
4	Data Science

- Name of Programmes Accredited by NBA
  - i) Computer Science and Engineering (UG) ii) Mechanical Engineering (UG)
- Status of Accreditation of the Courses  
YES
- Total number of Courses: -  
NIL
- No. of Courses for which applied for Accreditation  
NO

- Status of Accreditation–Preliminary/Applied for SAR and results awaited/Applied for SAR and visits completed/ Results of the visits awaited/ Rejected/ Approved for . . .Courses (specify the number of courses)
- For each Programme the following details are to be given (Preferably in Tabular form):

<b>UG PROGRAM</b>	
1	Artificial Intelligence and Data Science
2	Civil Engineering
3	Computer Science & Engineering
4	Electrical Engineering
5	Electronics & Telecommunication Engineering
6	Mechanical Engineering
7	Bachelor of Computer Application (BCA)
<b>NEW UG COURSE</b>	
1	Electronics and Computer Engineering
<b>PG PROGRAM</b>	
1	Heat Power Engineering
2	Master of Computer Application (MCA)
<b>DIPLOMA</b>	
1	Civil Engineering
2	Computer Engineering
3	Computer Science and Engineering
4	Electronics &TelecommunicationEngineering
5	Mechanical Engineering
6	Electrical Engineering
<b>Bachelor of Vocational-B. Voc. (UG)</b>	
1	Industrial Tool Manufacturing (Itm)
2	Industrial Automation
3	Software Development
4	Data Science

- | Sr.No             | Name of Program                             | Number of Seats | Duration |
|-------------------|---|-----------------|----------|
| <b>UG PROGRAM</b> |   |                 |          |
| 1                 | Artificial Intelligence and Data Science    | 60              | 4 Years  |
| 2                 | Civil Engineering                           | 30              | 4 Years  |
| 3                 | Computer Science & Engineering              | 120             | 4 Years  |
| 4                 | Electrical Engineering                      | 30              | 4 Years  |
| 5                 | Electronics & Telecommunication Engineering | 60              | 4 Years  |
| 6                 | Mechanical Engineering                      | 30              | 4 Years  |
| 7                 | Bachelor of Computer Application (BCA)      | 60              | 3 Years  |

Cutoff marks/rank of admission during the last three years **Academic Year 2023-24**

- Placement Facilities

As most of the students are from rural background, they lack in English communication, presentation skills and expressions. Their confidence level is comparatively lower. It takes lot of deal and need counselling sessions to make them participative. As most of the students are from farming background, they spare their time in farming works also. So students don't find time to spare for add-on courses offered by the institute.

Activities implemented to enhance student's confidence through Training & Placement Cell (T&P) and student development cell. T&P is exclusively involved in yearly planning and conduction of training activities. The input from the industry experts/ external agency/ alumni/ academicians is to be taken while preparing activity plan. Student's mentoring is necessary while selecting value added course, foreign language trainings. However, time management of alumni is also critical aspect for success of this scheme. Due to pandemic situation; many time sessions are to be arranged in online mode which can not be attended by the students living in remote areas having poor network connections.

### **Placement cell objectives are:**

1. To make students confident through professional activities.
2. To impart company specific trainings required for professional career and campus placements.
3. To inculcate all attributes among the students through curricular, co-curricular and extracurricular activities.

In the learning context of students, the cognitive, psychomotor and affective domains are three important aspects. The cognitive abilities include technical knowledge and are acquired through regular classroom and practical sessions. However, it requires additional efforts to impart psychomotor and affective aspects through professional skills in engineering education.

Current placement drives have stages like aptitude test, group discussion, technical interview and personal interview. The aptitude, communication skill, self-confidence is necessary to complete all these phases for successful campus placements. The feedback obtained from industry experts, alumni, HR executives suggest that only academic performance is not enough to get quality placement. The students are also required to have skill sets of core domain required by industries so that the students will be productive from day one. Soft skills are also very important in their professional career. Hence, activities to ensure 360-degree development are essential to improve successful placement ratio.

The professional skills of students are continuously updated which are the need of the hour through regular professional activities as described below:

1. Hands on Practice in laboratories for mini projects: Every department has practice of skill based learning to understand the basic concepts practically and acquiring hands-on experience.
2. Value Added Program/Workshop by Industrial Experts: Besides curriculum, the department facilitates various value-added courses, seminars/guest lectures/expert lectures by eminent personalities.
3. Soft Skill Training for all students: Being located in the rural part, the Institute is facing the challenge of soft skill development of the students. Communication skills, aptitude test proficiency are important parts of soft skills. For this activity, weekly 02 hours are allotted in the time table. Separate lesson plan for 40 hours is prepared and accordingly delivered by the respective departmental coordinator. It works on practice of group discussion, debate, aptitude, personal interview and provides corrective measures.
4. Special Industry Placement Oriented Training: T&P cell organizes industry specific activities, aptitude tests, mock technical interviews, personal interview preparations, etc.
5. Language Proficiency Program: Student development committee organizes training activities for learning Japanese and German Language.
6. Effective execution of AICTE internship policies:  
AICTE has formulated its internship policy for the students of technical educational programs vide its letter No. AICTE/Internship Policy/18. The policy comprises of the steps for establishing, maintaining and fostering internships. The students have been provided with a

diary which is to be maintained by the respective student during the period of internship. The structure of this diary is designed as per the AICTE internship policy. In this diary the student mentioned the details of company's profile, its departmental layout, details of the duties performed by the student daily. After the internship, certificate of successful completion of training is given to the student. Institute monitors the status of internship performance by physically visiting to the industry where he/she is placed. Institute also takes effort to ensure that no student left out from the internship process. This practice ultimately enhanced the employability of the students.

Campus placement with minimum salary, maximum salary and average salary

**Minimum salary: 150000/-**

**Maximum salary: 900000/-**

**Average salary: 250000/-**

- Name and duration of Programme(s) having Twinning and Collaboration with Foreign University(s) and being run in the same Campus along with status of their AICTE approval. If there is Foreign Collaboration, give the following details:  
**NIL**
- Details of the Foreign University
- Name of the University
- Address
- Website
- Accreditation status of the University in its Home Country
- Ranking of the University in the Home Country
- Whether the degree offered is equivalent to an Indian Degree? If yes, then the name of the agency which has approved equivalence. If no, implications for students in terms of pursuit of higher studies in India and abroad and job both within and outside the country
- Nature of Collaboration
- Conditions of Collaboration
- Completed details of payment as student has to make to get the full benefit of Collaboration

- ForeachProgrammeCollaboratedprovidethefollowing:
- ProgrammeFocus
- Numberofseats
- AdmissionProcedure
- Fee(asapprovedbythestategovernment)
- PlacementFacility

## **8.ProfileofViceFaculty**

- 
- Name: Mrs. Mr. Ranjit Arjun Katkar
- Date of Birth: 10-06-1990
- Unique id:
- Educational Qualification: MTech Structure
- Work Experience
  - Teaching -03 Years
  - Research -Nil
  - Industry -02 year
  - Others -None
- Area of specialization: Structural Engineering
- Courses taught at diploma, Post diploma/ under graduate/ Post Graduate/ Post graduate Diploma Level : Post Graduate Level: Foundation Engineering, Planning for sustainable development, Mechanics of solids, Soil Mechanics, Soil Structure Interaction
- Research Guidance-
  - No of papers published in National/International Journals/ Conferences: Participated one Conference
  - Master-1
  - Ph.D -0

Projects Carried out -

### **MTech Project topics:**

1. "Enhancing the Seismic Performance of Multi-Storied Building using Buckling Restrained Braces"
2. "Enhancement of Lateral Stiffness of RC Frame Structure for Improved Seismic Performance".
3. "Seismic Analysis of RC Framed Structure using Floor Isolation System".

**B.E. Project topic:** 1] "Comparative study on Stiffness Increment of RC Structure against Earthquake by using Bracing, Shear Wall and Grid Beam System".

### **Guided Projects:**

1. Light Transmitting Concrete Block
2. Watershed Management

(\$ - The schedule displayed above is provisional and may change under unavoidable circumstances. The revised schedule, if any, will be notified on website)

**Important Note: -**

1. **All types of candidates** aspiring for admission under CAP seats shall register himself/herself online, Scan and upload Documents, solve grievances (Depends on document verification mode selected by candidate) raised by Scrutiny Center (SC) in person or raised by E-Scrutiny Center during E-Verification verified documents & Application Form confirmed by E-Scrutiny Center. Such eligible registered candidates shall be considered for CAP Merit and admission through CAP.
2. In case of Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant candidates should send the print of online filled & submitted application form & copy of uploaded documents by hand/speed post/courier for verification & confirmation to “**Director, Sardar Patel College of Engineering (SPCE), Versova Road, Munshi Nagar, Andheri (West), Mumbai- 400058**” shall approach directly to the Institute for admission where such quota is granted by the appropriate authority.
3. The candidates aspiring for admission for Institutional Quota, seats remaining vacant after CAP, it is **Mandatory** to get registered, documents verified and confirmation of application by the Scrutiny Center. After registration, such candidates must apply separately to Institutes for admissions to seats other than CAP Seats (Non-CAP Seats). Merit of such candidates shall be prepared by the Institute at the institute level.

➤ **Important Instructions for Candidates:**

1. Candidates has to resolve the discrepancies marked, if any, in her/his CAP application during the document verification process within the given timeline. If candidates fail to confirm online filled application form at E-Scrutiny center or Physical Scrutiny Center, then such applications will be rejected and name of such candidates will not appear in the merit list(s) prepared for the purpose of Admission for both CAP as well as Institute Level admission process.
2. The candidates belonging to SC, VJ/DT (NT (A), NT (B), NT(C), NT (D), OBC, SBC and SEBC categories shall produce “Caste Validity Certificate” and ST category shall submit “Tribe Validity Certificate”. All Backward Class candidates excluding SC & ST shall produce **Non Creamy Layer** certificate **valid up to 31<sup>st</sup> March 2026**. If such candidates fail to produce the original certificate or receipt of Caste/Tribe validity certificate, Non Creamy Layer certificate and EWS certificate issued by competent authority at the time of verification by Scrutiny Center, then such candidates will be treated as GENERAL category candidates for CAP admissions.
3. EWS candidates shall produce the Eligibility Certificate for Economically Weaker Section (As per the format in Maharashtra State Government Resolution No. र.आधो-4019/P.N.31/16-अ, dated 31/05/2021 only). Refer Proforma - V of Information Brochure for AY 2025-2026.
4. In case of Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidates after registration & confirmation of their application at “**Director, Sardar Patel College of Engineering (SPCE), Versova Road, Munshi Nagar, Andheri (West), Mumbai- 400058**” shall approach directly to the Institute for admission where such quota is granted by the appropriate authority.
5. For Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant

Candidates: - Such Candidates will get the Receipt-cum-Acknowledgement through their login after confirmation of application by Scrutiny Center. Applications received after the last date from candidates belonging to Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant candidates will be summarily rejected and no correspondence will be entertained in this regard.

6. Candidates who have registered as a reserved category candidate, but unable to produce required certificate for reservation claim during documents verification stage shall have to pay difference of fee of Rs. 200/- through online mode only.
7. Once the candidate confirms his/her Option form online through his/her Login for the respective admission rounds, Candidate will not be allowed to change/cancel the option/preference submitted under any circumstances.
8. A Candidate who has been allotted a seat shall download the "Provisional Seat Allotment Letter".
9. The Seat Acceptance Fee shall be Rs. 1,000/- for all Candidates. The candidate has to pay the Seat Acceptance Fee during first seat acceptance only. This fee shall be treated as non-refundable processing fee. The Seat Acceptance fees is to be paid through His/ Her Own login by ONLINE MODE only.
10. Seat will be confirmed by the allotted institute after verification of the original documents and ensuring that the Candidate meets all the eligibility norms. The admission in-charge of institute shall issue the Online Receipt of admission confirmation to the candidate.
11. The SC, ST, VJ/DT, NT(A), NT(B), NT(C), NT(D) and SBC Candidates who submitted receipt of Caste/Tribe Validity Certificate, Non Creamy Layer Certificate during registration, physical document verification and confirmation period should upload and verify original Caste/ Tribe Validity Certificate, Non Creamy Layer Certificate at Scrutiny Center and submit original certificate to the admitted institute on or before last day of reporting of CAP round 4, up to 5.00 PM, otherwise these candidates admission will get automatically cancelled and shall be considered as Open category candidates for next institute level round provided candidate fulfill eligibility criteria for open category.
12. In case of SEBC and OBC Candidates timeline for submission of original Caste Validity Certificate document against the receipt will be as per the government G. R. – शा. नि. क्र. संकीर्ण २०२५/प्र. क्र. ६८/आरक्षण -५ दि. २६/०८/२०२५ (click here for G.R.)
13. The SEBC and OBC Candidates who submitted receipt of Non Creamy Layer Certificate during registration, physical document verification and confirmation period should upload and verify original Non Creamy Layer Certificate at Scrutiny Center and submit original certificate to the admitted institute on or before last day of reporting of CAP round 4, up to 5.00 PM, otherwise these candidates admission will get automatically cancelled and shall be considered as Open category candidates for next institute level round provided candidate fulfill eligibility criteria for open category.
14. The EWS Candidates who submitted receipt of EWS Certificate during registration, physical document verification and confirmation period should upload and verify original EWS Certificate as per Proforma-V of the information brochure at Scrutiny Center and submit original certificate to the admitted institute on or before last day of reporting of CAP round 4, up to 5.00 PM, otherwise these candidates admission will get automatically cancelled and shall be considered as Open category candidates for next institute level round provided candidate fulfill eligibility criteria for open category.
15. Before proceeding with the CAP Round 4 option form, if it is likely that a candidate will be unable to produce the original CVC/TVC, EWS, or NCL document within the given timeline, they should consider the following optional facility to convert their candidature type:
  - a. For a Reserved Category candidate: Convert from Reserved Category to Open Category.
  - b. For an Open-EWS Category candidate: Convert from Open-EWS Category to Open Category (Non-EWS).
16. If a candidate chooses to convert to the Open Category, the following scenarios are possible:
  - a. If a candidate has already been allotted a seat in CAP Round I, II, or III by availing the benefits of the Reserved Category or EWS, their allotted seat will be cancelled. They will then be considered under the Open Category/Non-EWS for CAP Round IV.
  - b. If a candidate has not availed the benefits of the Reserved Category or EWS in CAP Round I, II, or III, their previously allotted seat will be retained. They will be considered under the Open Category/Non-EWS for CAP Round IV.
  - c. Candidates who have not been allotted any seat up to CAP Round III and are aware that they will be unable to produce the original CVC/TVC, NCL, or EWS certificate within the given timeline, can convert themselves to the Open Category/Non-EWS. These candidates will

- remain eligible for allotment in CAP Round IV under Open Category/Non-EWS seats.
17. Once a candidate converts from Reserved Category to Open Category or from EWS to Non-EWS, they will only be considered for allotment in the fourth CAP round and institutional rounds under the Open Category/Non-EWS.
  18. A candidate who has converted to the Open Category/Non-EWS will not be permitted to revert back to the Reserved Category/EWS.
  19. The candidates aspiring for admission for Institutional Quota, seats remaining vacant after CAP, it is Mandatory to get registered, documents verified and confirmation of application by the Scrutiny Center. After registration, such candidates must apply separately to Institutes for admissions to seats other than CAP Seats. Merit of such candidates shall be prepared by the Institute at the institute level.
  20. Candidate applying for admission through NRI, OCI, PIO, CIWGC, FN quota register on "<https://fn.mahacet.org>" portal for admission process of NRI/OCI/PIO/CIWGC/FN Candidates.

➤ **Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidates:**

Sr No	Activity	Start Date	Last Date
1	Counselling Round at "Director, Sydenham Institute of Management Studies & Research & Entrepreneurship Education(SIMSREE), B-Road, Churchgate, Mumbai 400020"	18-08-2025	20-08-2025
2	Reporting to the Allotted Institute and confirmation of Admission by submitting required documents and fees, as per Final Allotment.	21-08-2025	26-08-2025

(\$ - The schedule displayed above is provisional and may change under unavoidable circumstances. The revised schedule, if any, will be notified on the official website)

➤ **Important Instructions for Candidates:**

1. Candidates has to resolve the discrepancies marked, if any, in her/his CAP application during the document verification process within the given timeline. If candidates fail to confirm online filled application form at E-Scrutiny center or

Physical Scrutiny Center, then such applications will be rejected and name of such candidates will not appear in the merit list(s) prepared for the purpose of Admission for both CAP as well as Institute Level admission process.

2. The candidates belonging to SC, VJ/DT (NT (A), NT (B), NT(C), NT (D), OBC, SBC and SEBC categories shall produce “Caste Validity Certificate” and ST category shall submit “Tribe Validity Certificate”. All Backward Class candidates excluding SC & ST shall produce **Non Creamy Layer** certificate **valid up to 31<sup>st</sup> March 2026**. If such candidates fail to produce the original certificate or receipt of Caste/Tribe validity certificate, Non Creamy Layer certificate and EWS certificate issued by competent authority at the time of verification by Scrutiny Center, then such candidates will be treated as GENERAL category candidates for CAP admissions.
3. EWS candidates shall produce the Eligibility Certificate for Economically Weaker Section (As per the format in Maharashtra State Government Resolution No. राआधो-4019/P.N.31/16-अ, dated 31/05/2021 only). Refer Proforma - V of Information Brochure for AY 2025-2026.
4. In case of Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidates after registration & confirmation of their application at **“Director, Sydenham Institute of Management Studies & Research & Entrepreneurship Education(SIMSREE), B-Road, Churchgate, Mumbai 400020”** shall approach directly to the Institute for admission where such quota is granted by the appropriate authority.
5. For Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidates: - Such Candidates will get the Receipt-cum-Acknowledgement through their login after confirmation of application by Scrutiny Center. Applications received after the last date from candidates belonging to Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant candidates will be summarily rejected and no correspondence will be entertained in this regard.
6. Candidates who have registered as a reserved category candidate, but unable to produce required certificate for reservation claim during documents verification stage shall have to pay difference of fee of Rs. 200/- through online mode only.
7. Once the candidate confirms his/her Option form online through his/her Login for the respective admission rounds, Candidate will not be allowed to change/cancel the option/preference submitted under any circumstances.
8. A Candidate who has been allotted a seat shall download the “Provisional Seat Allotment Letter”.
9. The Seat Acceptance Fee shall be Rs. 1,000/- for all Candidates. The candidate has to pay the Seat Acceptance Fee during first seat acceptance only. This fee shall be treated as non-refundable processing fee. The Seat Acceptance fees is to be paid through His/ Her Own login by ONLINE MODE only.
10. Seat will be confirmed by the allotted institute after verification of the original documents and ensuring that the Candidate meets all the eligibility norms. The admission in-charge of institute shall issue the Online Receipt of admission confirmation to the candidate.
11. The VJ/DT-NT(A), NT(B), NT(C), NT(D), OBC, SBC, SEBC Candidates who submitted receipt of Non Creamy Layer Certificate during registration, physical document verification and confirmation period should upload and verify original Non Creamy Layer Certificate at Scrutiny Center and submit original certificate to the admitted institute on or before 03/09/2025, upto 5.00 PM, otherwise these candidates admission will get automatically cancelled and shall be considered as Open category candidates for next institute level round provided candidate full fill eligibility criteria for open category.
12. The EWS Candidates who submitted receipt of EWS Certificate during registration, physical document verification and confirmation period should upload and verify

original EWS Certificate as per Proforma V of the information brochure at Scrutiny Center and submit original certificate to the admitted institute on or before 03/09/2025, upto 5.00 PM, otherwise these candidates admission will get automatically cancelled and shall be considered as Open category candidates for next institute level round provided candidate full fill eligibility criteria for open category.

13. The candidates aspiring for admission for Institutional Quota, seats remaining vacant after CAP, it is Mandatory to get registered, documents verified and confirmation of application by the Scrutiny Center. After registration, such candidates must apply separately to Institutes for admissions to seats other than CAP Seats. Merit of such candidates shall be prepared by the Institute at the institute level.
14. Candidate applying for admission through NRI, OCI, PIO, CIWGC, FN quota should refer to web portal - <https://fn.mahacet.org/>

➤ **General Notes:**

1. The List of Scrutiny Center is available on website.
2. Eligibility, Rules & regulations for admission are made available on the website.

## ADMISSION NOTICE

### For B.E. / B.Tech. (4 Years) – Academic Year 2025-26 Institute Level Quota & Vacant Seats After CAP Round IV

Applications are invited from **eligible candidates** for admission to **First Year Engineering (B.E./B.Tech.)** courses against **Institute Level Quota** and **Vacant Seats** after **CAP Round IV** for the academic year **2025–26**, as per the provisions laid down by the:

First Year B.Tech Courses in Engineering	
Choice Code	Course Name
0654526310	Artificial Intelligence (AI) and Data Science
0654524210	Computer Science & Engineering
0654537210	Electronics & Telecommunication Engineering
0654529310	Electrical Engineering
0654561210	Mechanical Engineering
0654584410	Electronics and Computer Engineering

**Commissioner and Competent Authority,**

**State Common Entrance Test Cell, Maharashtra State, Mumbai**

in consultation with the

**Director of Technical Education, Maharashtra State.**

This notification is in accordance with the **rules and guidelines** framed under the purview of the **Centralized Admission Process (CAP)** and **Information Brochure** published by the State CET Cell.

#### **Eligibility for Extended Registration & Document Verification**

All eligible candidates who **could not participate** in the earlier CAP Rounds due to various reasons are now allowed to apply under Institute Level Quota, subject to the following:

1. Candidates who **did not register** earlier.
2. Candidates who registered but **failed to complete document verification**.
3. Candidates who were earlier **ineligible**, but now full fill eligibility and have completed verification.

**\* Note:** Candidates whose names already appear in the **Final Merit List** published by the **Commissioner and Competent Authority, State CET Cell** need **not apply again**.

### **Important Instructions for Candidates & Institutes**

As per **Rule 13** of the Information Brochure:

1. **Institute Level Admissions** include:
  - Vacant seats after all **CAP Rounds**. Available on <https://agce.edu.in>
  - Seats under the **Institutional Quota**. Available on <https://agce.edu.in>
2. These admissions will **begin only after CAP Round IV is completed**.
3. Candidates unable to approach the institute directly can submit the **Institute Level Option Form** through their **CAP portal login**.
4. This link will be **active only outside the CAP Round Option Form period**.
5. The **State CET Cell** will forward submitted applications to respective institutes **after CAP Round IV**.
6. Institutes will prepare the **Inter-Se Merit List** for final admissions.
7. Candidates should follow the **individual institute's notices and schedule**.
8. All queries related to Institute Level Admissions should be directed to the **respective institutes**.

**GOVERNMENT OF MAHARASHTRA**

Directorate of Maharashtra Fire Service  
Maharashtra Fire Service Academy  
Vicyanagri, Hans Bhugra Marg,  
Santacruz (East), Mumbai - 400 030  
Date: 16.02.17

M/s. Samarth Rural Educational Institute  
at Village- Jaitapur,  
Tal- Satara, Dist Satara.

Sub:- NOC stipulating fire protection and fire fighting requirements for proposed construction of Educational Building by M/s. Samarth Educational Trust at G No. 247 at Village- Panmalewadi, Tal- Satara, Dist-Satara.

Ref: Online Application No.MFS/SAT/0130/16, Dated 19/09/16.

Dear Sir,

This is a proposal for construction of Educational Buildings varying from Lower ground floor to 02 upper floors with a total height of 14.40 mtrs from lower ground level to terrace level

Total Plot area is 21200.00 Sq Mtrs and Proposed built up area is 4980.90 Sq Mtrs. The detail of the proposed Construction is as under.

The area wise details of said institution are as under:

Bldg. No	Lower Ground	Ground Floor. (Sq.M.)	1st Floor. (Sq.M.)	2nd Floor. (Sq.M.)	Total Built up area (Sq.M.)	Height in mtrs
A	532.02	3425.97	3578.86	3488.67	11025.52	14.4
B	-	927.45	-	-	927.45	
C	-	270.00	279.01	-	549.01	
D	-	337.45	-	-	337.45	
E	-	193.84	-	-	193.84	
F	-	138.97	-	-	138.97	
G	-	151.24	-	-	151.24	
H	-	22.355	-	-	22.355	
Total					4980.90

- Compliance of the National Academic Depository (NAD), applicable to PGCM/PGDM Institutions and University Departments

NA

- **List of facilities available**

- Games and Sports Facilities:

#### Outdoor Games:

Institute has its own playgrounds for Cricket, Kabaddi, Kho-Kho, Football and Athletic games. Also there are facilities to conduct the games like Volleyball, Handball, Tug of War etc.

#### Indoor games:

Institute has facilities for conducting indoor games like Badminton, Table Tennis, Chess and Carrom in the gymkhana.

Chess competition (Chessmania) was conducted on 11th Feb 2021. Faculty

coordinators: Mr. Nikhil Ghadage and Mr. Ankur Kamble

Student coordinators: Mr. Ayush Jadhav (TY Mech) and Mr. Utkarsh Pustake (TY Mech) Gymnasium:

Sports instructor takes care of all the activities related to Gymkhana department. The gymnasium is equipped with an adjustable chest press bench (flat & inclined), straight bar, curve bar, weight plates and dumbbells.

#### Yoga Club:

The Institute has a 'Yoga Club' which organizes training and practicing sessions for students and staff. Faculty members also serve as instructors for Yoga Club. Institute celebrates 21st June, the International Yoga Day on a large scale. In this academic year, Yoga day was conducted in online mode due to the prevailing pandemic situation. This session was conducted by Mr. Dilip Telang from Bangalore. A lady trainer Ms. Nikita Sonkate taught the girls the art of self-defence. The sports and extra-curricular activities have been playing a vital role in the overall development of the students.

- Extra-Curricular Activities

#### Cultural activities:

Every year, in the month of February cultural events are celebrated in which students actively participate in the various competitions. Organizing such events ultimately improves their team work, event handling ability and boosts their confidence.

- Traditional Day celebrated on 19th Feb 2021

culty coordinator: Ms Sheetal Waghmare

Student coordinators: Mr Akshay Paramane (B. Tech Mech) and Ms Muskan Dange (SYCSE)

- Saree and Tie & Blazer Day celebrated on 20th Feb

2021 Faculty coordinators: Ms Sheetal Waghmare and Ms Nalwade

B

Student coordinators: Mr Akshay Paramane (B. Tech Mech) and Ms Kavita Shinde (SYCSE)

- Hollywood/Bollywood Day celebrated on 21st Feb 2021

culty coordinators: Mr Nikhil Ghadage and Mr Ankur Kamble

Student coordinators: Mr Abhishek Jadhav (TY Civil) and Ms Snehal Potekar (TYE & TC)

- Chocolate day celebrated on 23rd Feb 2021

Faculty coordinators: Mr Nikhil Ghadage and Mr Ankur Kamble

Student coordinators: Ms Muskan Dange (SYCSE) and Mr Utkarsh Pustake (TY Mech)

- Students are felicitated and awarded at the Institute for their remarkable performances and achievements in cultural activities and events. The national days and major festivals are remarked and celebrated enthusiastically.
- Institute has facilities of loudspeakers, mikes, various musical instruments which are used in cultural programs.

#### ▪ **Soft Skill Development Facilities**

Soft Skill Training for all students: Being located in the rural part, the Institute is facing the challenge of soft skill development of the students. Communication skills, aptitude test proficiency are important parts of soft skills. For this activity, weekly 02 hours are allotted in the time table. Separate lesson plan for 40 hours is prepared and accordingly delivered by the respective departmental coordinator. It works on practice of group discussion, debate, aptitude, personal interview and provides corrective measures.

#### ▪ **Teaching Learning Process**

The Academic Monitoring Committee (AMC) with all representatives of departments ensure that the curriculum given by University is effectively adhered to. Before the start of the academic year institute prepares its academic calendar in line with the University calendar. Based on the institute's academic calendar all departments prepare the academic calendar which is approved by the Departmental Advisory Board (DAB).

The departmental load distribution is carried out as per the choices given by faculty members. All the faculty members prepare their course files according to the academic audit format given by DBATU. All the academic content prepared by faculty members is given to the students through MOODLE. The necessary books, the study material is issued to the students through a book bank facility available in the library. Utilisation of the course contents by students is verified by AMC.

The academic progress report is verified by the Head of the Department and necessary suggestions are given to the respective faculty members. In monthly meetings, necessary progress is updated to the Principal, and approval for remedial actions were taken.

The periodic assignment/class test/examination is conducted in order to assess the understanding of the students. Remedial exams are conducted for weaker students. Faculty members give their best efforts to ensure quality education and to enhance academic growth. The faculty members use teaching aids viz. Interactive Panel, Powerpoint Presentations for elaborating principles in the respective courses.

Practical, theoretical & oral examinations are conducted to judge the understanding of the students. After evaluation of students' performance, slow learners were supported by remedial lectures to improve the results and advanced learners were offered MOOC courses.

The Training and Placement Committee visited various industries to strengthen Industry-Institute interaction and organised industrial talks, virtual industrial visits, field training, and internships to enhance employment. As per the University curriculum; final year students were promoted for a six-month internship program. Students have to maintain an internship diary along with an internship certificate for final evaluation.

The Research and Development committee promoted and published industrial/innovative problem statements. Students, in association with faculty members, selected problem statements according to their areas of interest, and 02 patents were successfully filed.

During the pandemic situation, internal and external examinations were carried out smoothly by the examination committee through MOODLE. Counseling of students and faculty members was done by Guardian Faculty Members (GFM) and seniors/industrial experts respectively. All the documentation was verified by internal as well as external academic advisors and the Academic Audit Report (AAR) was submitted to DBATU Lonere for extension of affiliation. During A.Y. 2020-21; Total of six students namely Ms. Prajakta Mahamulkar and Ms. Pranita Chavan from the Electrical branch, Ms. Akshali Katkar from the E&TC branch, Adishree Pawar from the Mechanical branch, Akshata Kharade and Neha Sakunde from the Civil branch received scholarships from Cummins India Ltd. All the students received financial assistance as well as an industrial mentor for projects, seminars and Graduate Engineer Trainee (GET). All the twelve PO's specified by AICTE got covered along with academic through organising co-curricular and extra-curricular activities.

Institute takes efforts to transfer technology to society. Institute is having an NSS unit of 100 students to transform and educate the importance of technology to society. The efforts taken by these 100 students is recognised by the University by awarding academic credits.

At the end of the semester, all the laboratories with all the experiments are available to the students for experiential learning.

- InternalContinuousEvaluationSystemandplace

Institute's academic calendar is prepared as per the directives given by DBATU and a Continuous Internal Evaluation of the student is carried out.

### **A. Continuous Assessment 1 (CA1):**

#### **Theory:**

After the completion of four weeks, the first continuous assessment (CA1) examination was conducted. This exam was based on unit no 01 and unit no 02 which mapped CO1 and CO2 respectively. The evaluation scheme of the CA1 examination (10 Marks) consisted of assignments (04 Marks), objective examination (02 Marks), and descriptive examination (04 Marks).

#### **a. Assignments:**

04 marks were allotted for two assignments. Assignment no 01 having two questions based on CO1 while assignment no 02 having two questions was based on CO2.

#### **b. Objective examination:**

Objective examination carrying 02 marks was conducted online through MOODLE. 15 questions were based on unit no 01 while the other 15 questions were based on unit no 02. These 30 questions were based on five levels viz. remember, understand, apply, analyse and evaluate.

#### **c. Descriptive examination:**

Descriptive examination carrying 04 marks was conducted in online mode. Question no 01 was based on CO1 (understand level) while question no 02 was based on CO2 (apply level). In this examination, students were given an option for solving any one question.

#### **Practical:**

CA1 practical examination was conducted on the first five experiments. A total of 30 marks were allotted for the experiments under each course. Out of 30 marks, 10 marks were allotted for laboratory assessment, 05 marks for attendance, 10 marks for practical exams, and 05 marks for mock orals.

The laboratory assessment of 10 marks was further divided as Timely submission of the journal: 02 Marks

Neatness: 04 Marks

Understanding: 04 Marks

**B. Mid-Semester Examination:**

After completion of eight weeks, Mid Semester Examination was conducted. This exam was based on unit no 03 and unit no 04 which mapped CO3 and CO4 respectively. The evaluation scheme of Mid Semester Examination (20 Marks) consisted of objective examination (04 Marks) and descriptive examination (16 Marks).

**a. Objective examination:**

Objective examination carrying 04 marks was conducted online through MOODLE. 25 questions were based on unit no 03 while the other 25 questions were based on unit no 04. These 50 questions were based on five levels of Bloom's Taxonomy.

**b. Descriptive examination:**

Descriptive examination carrying 16 marks was conducted in online mode. Question no 01 consisted of 03 sub-questions which were based on CO3 (remember, understand and apply level) of which the student had to answer any two sub-questions while question no 02 consisting of 02 sub-questions based on CO4 (apply and analyse level) of which the student had to answer any one.

**C. Continuous Assessment 2 (CA2):**

On the same lines of CA1 evaluation, CA2 was carried out after 12 weeks on unit no 5 and unit no 6 with mapping of CO5 and CO6 respectively.

**D. Remedial Examination:**

The students securing low marks who need to upgrade their performance, those students absent due to unavoidable circumstances were given a chance by conducting the remedial examination.

**E. Unitwise objective practice session:**

After completion of each Unit, faculty members uploaded 10 questions on the basis of Bloom's Taxonomy.

**F. The evaluation of papers:**

Papers were evaluated taking into consideration the attainment of Course Outcomes (COs) by the student.

**G. Open day session:**

All the faculty members shared their model answers with the students in the library and necessary suggestions were given for maximum attainment of COs.

**H. Project Presentations** -Mapping of Program Outcomes and Course Outcomes were carried out with the help of standard templates shared, which ensure project COs mapping with POs. Project phase presentations were carried out through the Research & Development committee. The external evaluation was done specifically by the industry experts who have signed MoUs with us. The details of which are enclosed in the upcoming criteria.

**I. Seminar Presentation:**

Objectives of the seminar were achieved by sharing standard templates amongst the students. Students presented their topics in front of the R&D committee.

**J. Industrial visits and training-** Before the visit, students were oriented about the industry and objectives of conducting the visit. Visit reports were assessed after the visit. Also, internships were offered to the students and after completing the same, students had to present their daily progress which was monitored and evaluated by the industry experts and also by the faculty members through internship diary.

**K. Class interactions** - Last 10 minutes were reserved for question answers pertaining to the session.

**L. Group discussions** - Weightage was given to recent engineering trends for group discussion topics.

**M. Workshops/Seminars** - Experts from diverse industries were invited for workshops/seminars.

**N. Major and minor Projects** - Students were encouraged to participate in various competitions for project demonstrations.

**O. Surprise tests** - Conducted to check the student's preparedness.

**P. Intercollegiate competitions** - Students were trained and encouraged to participate in various competitions pertaining to paper presentations, project presentations.

**Q. Attendance of students** - Separate weightage of 05 marks were given in CIE and the transparency was maintained by publishing the details of attendance on MOODLE.

**R. Parents meeting** - Department wise online parent meeting was conducted due to the prevailing pandemic situation and GFM apprised them of the student's progress and development.

- Student's assessment of Faculty, System in place

**19. BestPractices adopted,ifany**

## **BestPractice: 1**

**1. Titleofthe Practice:**

**“Employability enhancement by imparting professional skills through Training & Placementactivities”**

**2. ObjectivesofthePractice:**

1. Tomakestudentsconfidentthroughprofessionalactivities.
2. Toimpartcompanyspecifictrainingsrequiredforprofessionalcareerandcampusplacements.
3. Toinculcateallattributesamongthestudentsthroughcurricular,co-curricularandextracurricularactivities.

**3. TheContext:**

In the learning context of students, the cognitive, psychomotor and affective domains are threeimportant aspects. The cognitive abilities include technical knowledge and are acquired throughregularclassroomandpracticalsessions.However,itrequiresadditionaleffortstoimpartpsyc homotor and affective aspects through professional skills in engineering education. Currentplacementdriveshavestageslikeaptitudetest,groupdiscussion,technicalinterviewand

personal interview. The aptitude, communication skill, self-confidence is necessary to complete all these phases for successful campus placements. The feedback obtained from industry experts, alumni, HR executives suggest that only academic performance is not enough to get quality placement. The students are also required to have skill sets of core domain required by industries so that the students will be productive from day one. Soft skills are also very important in their professional career. Hence, activities to ensure 360 degree development are essential to improve successful placement ratio.

#### **4. The Practice:**

The professional skills of students are continuously updated which are the need of the hour through regular professional activities as described below:

4.1 Hands on Practice in laboratories for mini projects: Every department has practice of skill based learning to understand the basic concepts practically and acquiring hands-on experience.

4.2 Value Added Program/Workshop by Industrial Experts: Besides curriculum, the department facilitates various value-added courses, seminars/guest lectures/expert lectures by eminent personalities.

4.3 Soft Skill Training for all students: Being located in the rural part, the Institute is facing the challenge of soft skill development of the students. Communication skills, aptitude test proficiency are important parts of soft skills. For this activity, weekly 02 hours are allotted in the time table. Separate lesson plan for 40 hours is prepared and accordingly delivered by the respective departmental coordinator. It works on practice of group discussion, debate, aptitude, personal interview and provides corrective measures.

4.4 Special Industry Placement Oriented Training: T&P cell organizes industry specific activities, aptitude tests, mock technical interviews, personal interview preparations, etc.

4.5 Language Proficiency Program: Student development committee organizes training activities for learning Japanese and German Language.

4.6 Effective execution of AICTE internship policies:

AICTE has formulated its internship policy for the students of technical educational programs vide its letter No. AICTE/Internship Policy/18. The policy comprises of the steps for establishing, maintaining and fostering internships. The students have been provided with a diary which is to be maintained by the respective student during the period of internship. The structure of this diary is designed as per the AICTE internship policy. In this diary the student mentioned the details of company's profile, its departmental layout, details of the duties performed by the student daily. After the internship, certificate of successful completion of training is given to the student. Institute monitors the status of internship performance by physically visiting the industry where he/she is placed. Institute also takes effort to ensure that no student is left out

from the internship process. This practice ultimately enhanced the employability of the students.

## **5. Problems Encountered and Resources Required**

As most of the students are from rural background, they lack in English communication, presentation skills and expressions. Their confidence level is comparatively lower. It takes a lot of time and need counselling sessions to make them participative. As most of the students are from farming background, they spare their time in farming work. So students don't find time to spare for add-on courses offered by the institute.

Activities implemented to enhance student's confidence through Training & Placement Cell (T&P) and student development cell. T&P is exclusively involved in yearly planning and conduction of training activities. The input from the industry experts/ external agency/ alumni/ academicians is to be taken while preparing activity plan. Student's mentoring is necessary while selecting value added course, foreign language trainings. However, time management of alumni is also critical aspect for success of this scheme. Due to pandemic situation; many time sessions are to be arranged in online mode which can not be attended by the students living in remote areas having poor network connections.

## **Best Practice: 2**

### **1. Title of the Practice:**

**"Creating a vibrant relationship between the society and AGCE institute with the latter providing the knowledge and technology support to improve the livelihood in rural areas and to upgrade the capabilities of both the public and private organisations in the society in association with Unnat Bharat Abhiyan"**

### **2. Objectives of the Practice:**

- To identify the different problems faced by villagers and provide solutions to them through mini projects.
- To create environmental awareness through various activities like cleanliness, tree plantation etc

- To educate the students and parents about the various career opportunities and the different government schemes available.
- To make the villagers aware about steps to be taken to lead a healthy life and utilise the necessary facilities provided.

### **3. The Context**

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

### **4. The Practice:**

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge Institutions to help build the architecture of an Inclusive India.

Our Institute has adopted five villages viz. Anewadi, Panmalewadi, Bamnoli, Kudal and Pachwad.

Team of faculty members visited these villages frequently for the last three years and have done the following type of activities there:

1. Educated practically every household regarding the prevalent pandemic, the importance of social distancing, the use of mask and most importantly every adult need to be vaccinated, was stressed upon.
2. Cleanliness activity
3. To disseminate National Education Policy amongst the school students and their parents.
4. To impart environmental awareness amongst the villagers.
5. To give solutions to the daily problems faced by the villagers through the mini projects.

## **5. Problems Encountered and Resources Required**

As most of the families are having farming background; they are available in their homes only during the early morning and evening time. So they are not easily available during the day time to conduct the counselling sessions. To conduct the activities many times; lot of permissions are to be sanctioned from government authorities of the villages which consumes more time and restricts the free hand to conduct all the activities smoothly. Many times to conduct the activities the group of students along with NSS coordinator and faculty members used to stay in the villages; but due to the deficiencies in basic facilities; students and faculty members have to face many problems.

**Note:** Suppression and/or misrepresentation of information shall invite appropriate penal action. The Website shall be dynamically updated with regard to Mandatory Disclosures

### **Important Instructions:**

- Avoid putting personal information in public domain
- The mandatory disclosure should be available freely to view/download to the public without any restrictions.
- LoA/EoA letters (since inception) should form part of the mandatory disclosure and complete mandatory disclosure document should be converted into a single PDF file and the URL (web-link) to be entered in the AICTE portal (under attachment tab).

**THANK  
YOU !**
