Guest Lecture

- **Guest:-** Mr. Prasad Sase
- **Affiliation:-** Founder & Lead Technical Trainer, N infinity info solutions.
- **Day and Date:-** Saturday, 9th September, 2023
- **Time:-** 12:00 PM - 2:00 PM
- **Objectives:-**
 - 1) To guide students about the Programming language
 - 2) To Inform about the programming language evaluation and relevance with current IT trend to the students.
 - 3) To make the students aware of the importance of Programming language evaluation.
- **Outcomes:-**
 - 1) The students understood about the Programming language
 - 2) The students realized the importance of the programming language evaluation and relevance with current IT trend.
- **Conclusion:-**
 - 1) The students were highly interested to know about the various career opportunities in IT field.
 - 2) Such sessions provided the students opportunities to learn about programming language skills.

Mr. Prasad Sase spoke on "Programming Language Evolution and Its Relevance with Current IT Trends"

Student learned how programming language helps you streamline processes and solve problems quickly.

Letter of Invitation

To,

Mr. Prasad Sase,
Founder & Lead Technical Trainer,
N infinity info Solutions,
Pune.

Arvind Gavali College of Engineering has organized an **Guest Lecture** for first year students. We are pleased to invite you as a Guest Speaker.

Samarth Educational Trust's Sawkar Institute is actively associated with educational activities since its inception in 1988 and is developing fast into a prime educational center in the western region of Maharashtra. It has presently the following constituent institutes under its umbrella:

Arvind Gavali College of Engineering & Polytechnic
Sawkar Homeopathic Medical College
Arvind Gavali College of Pharmacy (B. Pharm)
Sawkar Pharmacy College (D. Pharm)
Sawkar Science College (@ Jaitapur & Varye)
B. Vocational Degree (Software Development, Industrial Automation, Data Science, Industrial Tool Mfg.)
Sawkar Ayurvedic Medical College & Hospital

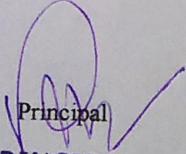

AGCE is one of the most rapidly evolving engineering institutes which has a lush green, eco-friendly campus conducive to overall development of the students leading to their enhancement in employability. The Institute offers Diploma and B. Tech. in Mechanical, Civil, Electronics and Telecommunication, Electrical, Computer Science and also M.Tech. in Mechanical Engineering. AGCE is awarded with **MOST PROMISING & TRUSTED ENGINEERING COLLEGE OF THE YEAR 2021 MAHARASHTRA** by Beginup Research Pvt. Ltd., Bengaluru

"Guest Lecture" aims to bring together research scholars, academia, and practitioners from various fields on a common platform for an effective exchange of ideas. This event provides a broad range of topics from the various engineering disciplines as well as from the interdisciplinary themes.

It is our privilege to invite you as a guest speaker on 14th August, 2023. Kindly grace the occasion with your presence.

Thanking you,

Guest Lecture

- **Guest:-** Mr. Tushar Imandar
- **Affiliation:-** Managing director, squareware automation technologies, satara.
- **Day & Date:-** Saturday, 30th September, 2023
- **Time:-** 12.00 PM To 02:00 PM
- **Objectives:-**
 - 1) To learn various types of PLC automation.
 - 2) To guide students on acquiring knowledge and skills to become a successful professional in Robotics.
 - 3) Students got information about PLC automation and robotics.
- **Outcome:-**
 - 1) Students became aware about how to design, construct and maintain various robotics projects.
 - 2) Students understood about computer and computer science engineers can work in the planning stages of a project to ensure that it meets safety and environmental regulations.
- **Conclusion :-**
 - 1) Students learned about how to computer and computer science engineers plan, design, and supervise the PLC automation and maintenance of robotics projects.
 - 2) Students learned what it takes to get a job in the private and government sectors.

Guest Lecture

- **Guest:-** Mr. Swapnil Kisan Shinde
- **Affiliation:-** Assistant professor dept. of AI & DS, Vishwakarma Institute of technology.
- **Day & Date:-** Saturday, 7 October, 2023
- **Time:-** 12:00 PM To 2:00 PM
- **Objectives:-**
 - 1) The students learn about how to test the software. To guide students on Essential of Testing in Software Development.
 - 2) Students got information about software testing.
 - 3) To guide students on acquiring knowledge and skills to become a successful professional in Software Testing.
- **Outcome:-**
 - 1) Motivated the students and gave them power skills for software testing.
 - 2) Students understood the importance of the role of computer and computer science engineering in software testing.
- **Conclusion:-**
 - 1) Students learned about how to computer and computer science engineers plan, design, and supervise the software testing.
 - 2) Students were very curious to know how to acquire software testing skills.

Prof. Swapnil K. Shinde discussed “Essentials of Testing in Software Development”

The students learned about the website designing and software development.

Industrial Visit

Venue : Mapro Garden, Wai

Day & Date : Saturday, 20 January, 2024

Time : 10.00 AM To 01.00 PM

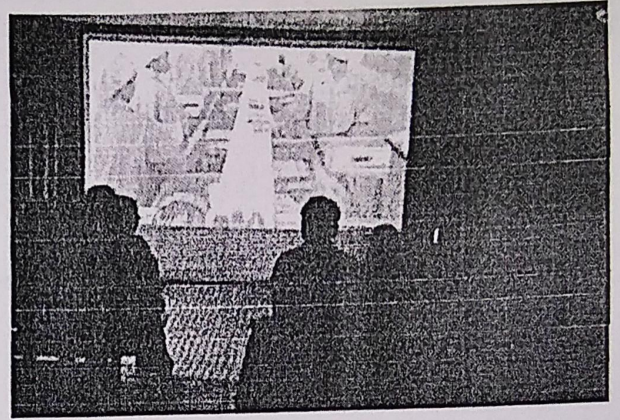

Objectives : 1) The students to know the manufacturing processes and the different operations and also the various fruits products produced in the mapro.

2) The purpose of the visit was to provide students with an opportunity to gain practical insights into working of food processing.

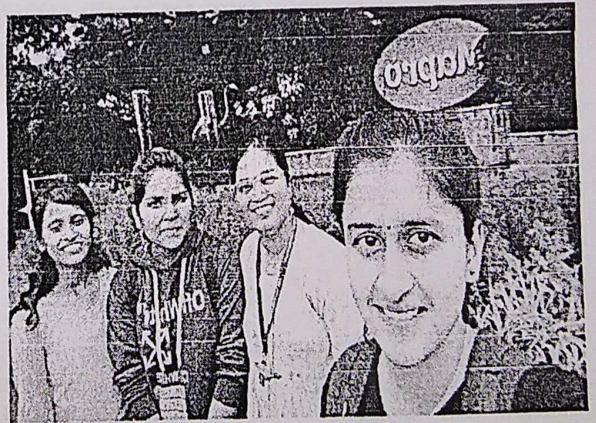

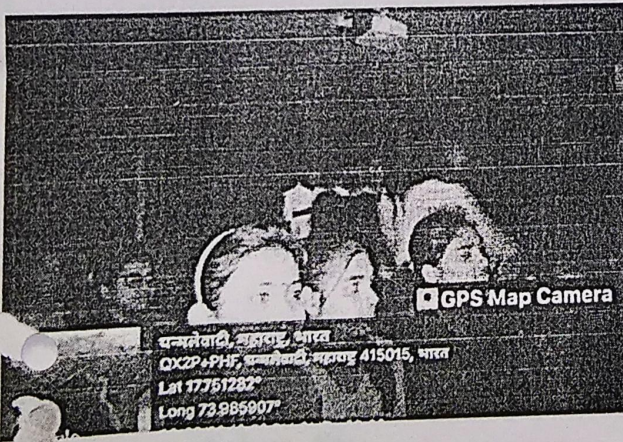

Outcome : 1) The various production to packaging process were shown and discussed with the students by the mapro assistants.

2) The students interacted with the factory manager and asked queries related to company.

Conclusion : The students gained practical knowledge about functioning of a food processing unit.

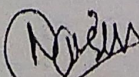

The students know the manufacturing Processes and the different operations and the various fruits products produced in the Mapro.

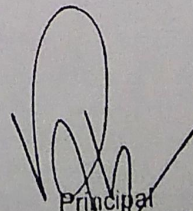

The students interacted with the factory manager and asked queries related to the company.

Letter of Permission

To,
Manager,
Mapro Garden, wai.

Arvind gavali college of engineering satara wants to visit **Mapro Garden, Wai** with first year diploma computer engineering students. This letter is intended to seek permission to study and understand the basic concept of organization.

The Samarth Educational Trust has been actively associated with Educational Activities since its inception in 1998 and is developing that into a Prime Educational Centre in the Western region of Maharashtra. It has presently the following constituent institutes under its umbrella, via:

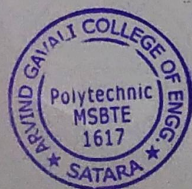

- **Arvind Gavali College of Engineering.**
- Sawkar Homeopathic Medical College.
- Sawkar Pharmacy College.
- Arvind Gavali College of Pharmacy.
- Sawkar Science College.
- B. Vocational Degree (Software Development, Industrial Automation, Data Science, Industrial Tool Mfg.).
- Sawkar Ayurvedic Medical College & Hospital.

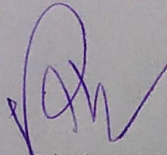

The Governing Body of the Trust has taken a decision during its recent meeting to organize '**Industrial Visit**', for the budding young engineers in order to inspire them for their future careers. Keeping in view and the vision of Dr. A.P. J. Kalam's India 2020.

Total 60 students shall be accompanied by Ms. Bhosale P.R. & Ms. Bhilare N.S. wishes to visit your organisation on Saturday 20 th January 2024.

I look forward to your necessary permission and co-operation.

Thanking you.

Letter of Permission

To,

Mr. Amar Jadhav,
Rayat Science innovation activity centre, satara.

Arvind gavali college of engineering satara wants to visit Rayat science & innovation centre satara with first year diploma computer engineering students. This letter is intended to seek permission to study and understand the basic concept of organization.

The Samarth Educational Trust has been actively associated with Educational Activities since its inception in 1998 and is developing that into a Prime Educational Centre in the Western region of Maharashtra. It has presently the following constituent institutes under its umbrella, via:

- Arvind Gavali College of Engineering.
- Sawkar Homeopathic Medical College.
- Sawkar Pharmacy College.
- Arvind Gavali College of Pharmacy.
- Sawkar Science College.
- B. Vocational Degree (Software Development, Industrial Automation, Data Science, Industrial Tool Mfg.).
- Sawkar Ayurvedic Medical College & Hospital.

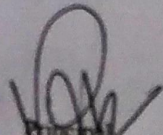

The Governing Body of the Trust has taken a decision during its recent meeting to organize 'Industrial Visit', for the budding young engineers in order to inspire them for their future careers. Keeping in view and the vision of Dr. A.P. J. Kalam's India 2020.

Total 60 students shall be accompanied by Ms. Bhosale P.R. & Ms. Bhilare N.S. wishes to visit your organisation on Saturday 20 th January 2024.

I look forward to your necessary permission and co-operation.

Thanking you.
