DEPARTMENT VISION, MISSION & PEO

Vision

To emerge as a prominent computer science & engineering center to produce quality professionals to meet industrial and social needs

Mission

The department is committed to imbibe and empower its faculty and aspiring engineers with:

M1: To produce IT professionals with intellectual ability by imparting quality education

M2: To induce competency among the students by engaging them in requisite skills

M3: To develop consciousness of societal & ethical needs in the field of computer science & engineering

Program Educational Objectives (PEOs)

PEO1: The graduate will be able to analyse and solve industry problems by applying basics of mathematics and algorithms.

PEO2: The graduate will be able to develop solutions using modern engineering tools and techniques to solve real life problems.

PEO3: The graduate will become ethical professionals in ITES industries contributing to societal progress and respect environment

Program Specific Outcomes (PSOs)

PSO1: Ability to learn latest software technology in the area of computer science & engineering

PSO2: Ability to develop software solution for catering to the environmental and societal needs.
